

P R E F A C E

This publication provides information on the structure and operation of the division medical operations center (DMOC), division support command (DISCOM). It is directed toward the chief and staff members of the DMOC within divisions organized and operating under L-edition table(s) of organization and equipment (TOE).

This publication outlines the responsibilities of the DMOC of the DISCOM headquarters and headquarters company (HHC) for light infantry, airborne, air assault, and heavy divisions. It provides tactics, techniques, and procedures for directing, controlling, and managing combat health support (CHS) within the division. It describes the interface required of the DMOC within the DISCOM HHC, the interface with the division surgeon and other division elements, and the interface with supporting corps medical elements in accomplishing the CHS mission. It further defines each staff element of the DISCOM DMOC and lists the functions and operational requirements associated with each. Information pertaining to the organizational structure and operation of the HHC, DISCOM, is provided in Field Manuals (FMs) 63-2 and 63-2-1.

The forward support medical company (FSMC) of the forward support battalion (FSB) provides Echelons I and II CHS in the brigade support area (BSA) in each division. The FSMC, a DISCOM asset, communicates and coordinates with the DMOC pertaining to division CHS. Definitive information on operations, functions, and capabilities of the FSMC is provided in FMs 8-10-1 and 63-20.

The main support medical company (MSMC) is organic to each main support battalion (MSB) in all divisions and is a DISCOM asset. The MSMC provides Echelons I and II CHS in the division support area (DSA). Definitive information on operations, functions, and capabilities of the MSMC is provided in FMs 8-10-1 and 63-21.

The supported units referred to throughout this publication include infantry, light infantry, armor, air assault, airborne, aviation, military intelligence, artillery, air defense artillery, chemical, military police, signal, engineer, DISCOM units, and other units assigned to the division or operating in the division area.
